The issuance of this permit authorizes improvements of the real property designated herein which improvements may subject such property mechanics' liens pursuant to Part 3 of Article 8 Chapter 14 of Title 44 of the Official Code of Georgia Annotated. In order to protect any interest in such property should consider contacting an attorney or purchasing a consumer's guide to the lien laws which may be available at building supply home centers.

I hereby certify that I have completed, read, and examined this APPLICATION and know the same to be true and correct. All provisions of laws, ordinances, policies, and procedures governing this work shall complied with the whether specified herein or not. All parties involved in this work shall comply with all provisions of local, state, and federal laws, ordinances, policies, procedures, and regulations. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other local, state or federal law regulating construction or the performance of construction. I also understand that separate permits are required for the sub-contractors listed above.

Upon payment of all fees, this application becomes part of the building permit. The permit becomes null and void if the authorized work is not commenced within 6 months, or if the work is suspended or abandoned for a continuous period of six months at any time after initial commencement of the work. A new permit is required in these cases.
